President of IFRI Visited CIIS

Writer:Qiang Wang Time:2010-4-9

On April 8, Mr. Thierry de Montbrial, President of French Institute of International Relations (IFRI) visited CIIS and attended a roundtable discussion with Prof. QU Xing, CIIS President, Mr. XING Hua, Senior Research Fellow at CIIS, Dr. CUI Hongjian, Acting Director of the Department for EU Studies and other CIIS scholars. The topics of the roundtable include: the evolution of international relations after the international financial crisis, the cooperation and contradictions between China and the EU, and the cooperation and contradictions between China and the United States. Prof. ZHOU Hong from China Academy of Social Sciences, Prof. DING Yifan from the Development Research Center of the State Council and Prof. FENG Zhongping from the China Institutes of Contemporary International Relations also attended the roundtable.
